

First Day of School Rap

I woke up this morning – washed my face,
Packed my bag and my pencil case,
Walked downstairs, said *hi* to my family,
Felt so good – I was smiling very happily.

Grabbed some breakfast – life was so cool!
“Bye everybody – see you after school!”
Put on my shoes and started to run.
The first day of school is so much fun!

I go to school for many hours a day.
There’s time to learn and there’s time to play.
At school I learn everything that I need.
I learn how to write and I learn how to read.

But to meet my friends is the best of all.
Tom has new glasses – Pat has grown tall.
It’s so exciting to meet everyone.
The first day of school is so much fun!
