The Wake-up Call

Hi! My name is Matthew. My friends call me Matt.
Today, I woke up at 7 o'clock.
I checked my mobile and saw that I had
a text message from an unknown number.
The message said:

Wow! Fiona is the coolest girl in the whole school.
I have always liked her. I didn't think she liked me.
How did she get my number?
Now I have her number – 07 582 906 134.
What am I going to say to her? Today is going to be a great day!

After reading

- What do Matthew's friends call him?
- What day of the week is it?
- Who sent him a text message?
- What is Fiona's number?
- What does Matthew think of the message?
- What do you think Matthew's answer will be?

Talk about it!

What do you like to do on a Friday after school?
I like to ... on a Friday evening.

Tell each other your phone numbers or make up phone numbers in English. Let your partner write them down and see if they are correct.

When we see the digit 0, we can say:
zero, oh, nought, nil or nothing.
